SADDLEBROOK GOLF ACADEMY

The Saddlebrook Golf Academy (SGA) offers year-round instruction by top professionals trained in our philosophy of focusing on the basics and attitude. Offering programs for adults and juniors of all skill levels, SGA has program for beginners as well as seasoned golfers. Programs include training at the SGA facilities as well as on one of Saddlebrook's two Arnold Palmer signature golf courses. SGA pros also train students who attend Saddlebrook Preparatory School.

SADDLEBROOK TENNIS CENTER

Home to the world famous Harry Hopman Program, Saddlebrook Tennis provides players with access to 45 tennis courts in all Grand Slam surfaces. A great place to learn or elevate the sport, Saddlebrook Tennis offers a variety of packages and programs for recreational, junior and professional tournament players. It is common to see John Isner, James Blake, and the Bryan brothers, among others, training on one of the resort's courts. Saddlebrook Tennis pros also train students who attend Saddlebrook Preparatory School.

SADDLEBROOK PREPARATORY SCHOOL

Saddlebrook Preparatory is a full-time, fully accredited college preparatory school offering a unique alliance between athletic and academic programs for student-athletes who aspire to excel in tennis or golf, while preparing for college. Saddlebrook Prep serves students in grades 3 to 12, from about 20 different countries, with about two-thirds of the students participating in the tennis program and one-third in golf. Just over half the students reside at Saddlebrook Resort and live in a supervised, international community.

SADDLEBROOK ATHLETES COMPOUND

Saddlebrook's elite athlete training facility, the Athletes Compound specializes in intense, total physical, mental training, and nutrition. Athletes from all sports, including tennis, baseball, football, hockey, golf, and others, come to Saddlebrook for personalized, custom assessments, followed by a strict regime designed for peak performance. Well known names in baseball, football, hockey and tennis train at the Athletes Compound as do rookies who aspire to greatness in their sport.
